MEMORANDUM FOR: Chief, Regulations Control Division  
Office of Information Services, DDA

FROM: [REDACTED]  
Director of Security

SUBJECT: Proposed [REDACTED] Special Security  
Investigations

REFERENCE: Memorandum from DDA to DDO, dated 18 September  
1981, same subject

1. It is requested that you initiate formal action to coordinate Subject (Tab B of Reference) in accordance with the distribution specified by the Deputy Director for Administration in paragraph 9 of Reference. Should you determine additional dissemination through courtesy copies is desirable, it is suggested the Inspector General be included in distribution not related to coordination.

2. For your information, we have been advised that the Office of General Counsel is studying subject Proposal. We have not been informed of any response by the Deputy Director for Operations.

3. Although the original [REDACTED] has been cancelled and Subject qualifies as "Draft A" of a new regulation, the fact remains that revision represents an effort to resolve a matter that has been at issue since 1977. We would appreciate expeditious handling of this request in order to facilitate resolution through the formal coordination process.
